(2011-12-09 09:41) vj: IRL - is there anyone with a clue at all?

(2011-12-09 09:41) vj: Girlfriend, boyfriend, bunny you talk to, online buddy's who you've know for years?

(2011-12-09 09:42) vj: Gramma, priest, rabbi, stripper?

(2011-12-09 09:42) myself: unfortunately yes. There are two, but they think I sold the site and got out.

(2011-12-09 09:42) myself: and they are quite convinced of it

(2011-12-09 09:42) vj: good for that - when do they think you've sold?

(2011-12-09 09:42) myself: about a month ago

(2011-12-09 09:42) vj: and do they now notice the demands on your time

(2011-12-09 09:43) vj: these the kinda people you'll know forever, or would a move work someday

(2011-12-09 09:43) myself: no, I live no where near them anymore. One I'll prob never speak to again, and the other I'll drift away from

(2012-01-15 19:03) vj: Have you even seen The Princess Bride?

(2012-01-15 20:57) myself: growing up my parents had the last half of spaceballs and the last 3/4 of the princess bride and all of romancing the stone. that pretty much sums up my personality.

(2012-01-15 20:58) vj: Well, that's about as well rounded as one can get.

(2012-01-15 20:58) vj: So you know the history of the Dread Pirate Roberts

(2012-01-15 20:59) vj: <-- it's a thought I'm working on, so humour me

(2012-01-15 21:01) myself: can't quite remember

(2012-01-15 21:01) myself: wesley was him though yea

(2012-01-15 21:01) myself: took up his name

(2012-01-15 21:10) vj: and over the years, a new one would take the name,
and the old one would retire.

(2012-01-15 21:11) myself: yep

(2012-01-15 21:11) vj: You need to change your name from Admin, to Dread
Pirate Roberts

(2012-01-15 21:11) vj: <-- isn't kidding - start the legend now

(2012-01-15 21:12) myself: I like the idea

(2012-01-15 21:12) vj: <-- has just put 12 solid hours of thought into it.

(2012-01-15 21:13) vj: clear your old trail - to be honest, as tight as you play
things, you are the weak link from those two prev
contacts

(2012-01-15 21:13) myself: goes along with my captain analogy

(2012-01-15 21:13) vj: and the whole thing - I quite love it.
